

Preferred Drug List

The Absolute Total Care Formulary lists drugs covered by your prescription benefit. The formulary is updated often and may change. For more information, you may view the latest formulary on our website at absolutetotalcare.com or call us at 1-866-433-6041 (TTY: 711).

Preferred Drug List Medication Locator Instructions:

1. With the PDF open, click on the Edit menu, then click Find.
2. In the Find box type the name of the medicine you want to locate.
3. Click the Next button until you find the medicine(s) you are looking for.

Notice of Non-Discrimination

Absolute Total Care (ATC) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, sex, sexual orientation or gender identity. ATC does not exclude people or treat them differently because of race, color, national origin, age, disability, sex, sexual orientation or gender identity.

ATC provides free aids and services to people with disabilities, such as qualified sign language interpreters and written information in other formats (large print, braille, audio, accessible electronic formats, other formats). We provide free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages. If you need these services, contact our Manager of Member Services, by mail at: 100 Center Point Circle, Columbia, SC 29210; by phone at: 1-866-433-6041 (TTY: 711); or by email at: ATCMBRSVC@centene.com.

If you believe that ATC has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, sex, sexual orientation or gender identity, you can file a grievance using the contact information provided above. You can file a grievance in person or by mail or email. If you need help filing a grievance, we are available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue, SW, Room 509F, HHH Building, Washington, D.C. 20201 or by phone at: 800-368-1019, 800-537-7697 (TDD). Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>. Language assistance services are available. Please visit our Language Assistance page for more information.

Language Services

If your primary language is not English, language assistance services are available to you, free of charge. Call: 1-866-433-6041 (TTY: 711).

Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al 1-866-433-6041 (TTY: 711).

Pharmacy Program

It's important to Absolute Total Care that our members receive medications that are appropriate and high quality. We work hard to make sure you have access to safe and effective medications that are proven to help you get healthy and stay healthy.

The pharmacy program does not cover all medicines. Some medicines require prior authorization (PA). Some have limits on age, dosage and maximum quantities.

Preferred Drug List (PDL)

The Absolute Total Care PDL is the list of covered drugs. The PDL applies to drugs you can receive at retail pharmacies. The Absolute Total Care PDL is reviewed often by the Absolute Total Care Pharmacy and Therapeutics (P&T) Committee to make sure the use of medicines is appropriate.

The P&T Committee is made up of the Absolute Total Care Medical Director, Absolute Total Care Pharmacy Director and many South Carolina physicians, pharmacists, and other healthcare professionals.

Pharmacy Benefit Manager

Absolute Total Care works with Pharmacy Services to process pharmacy claims for prescribed drugs. Some drugs on the Absolute Total Care PDL may require PA. Pharmacy Services is responsible for the PA process. Express Scripts is our Pharmacy Benefit Manager (PBM).

Specialty Drugs

The preferred specialty pharmacy provider of Absolute Total Care is AcariaHealth Specialty Pharmacy. All specialty drugs must have PA to be approved for payment by Absolute Total Care. The Absolute Total Care Medical Director and Absolute Total Care Pharmacy Director are in charge of the clinical review of these PA requests.

AcariaHealth Specialty Pharmacy provides the following services:

- Delivers drugs to your home or provider's office
- Provides staff pharmacists. The pharmacists can help you 24 hours a day, seven days a week to answer your questions and offer help with your drugs
- Gives you information, materials and ongoing support to help you take the drugs to manage your health condition
- Hepatitis C agents

Any member of Absolute Total Care requesting a hepatitis C agent should have their physician send a PA request to:

- Pharmacy Services
Phone: 1-866-399-0928
Fax: 1-833-982-4001

Dispensing Limits

Drugs may be filled up to a maximum of 31 days' supply for each new prescription or refill. A total of 80% of the days' supply or 25 days must have passed before the prescription can be refilled for non-controlled-substance PDL drugs. A total of 90% of the days' supply must have passed before the prescription can be refilled for controlled substances and narcotic PDL drugs.

Appropriate Use and Safety Edits

The health and safety of our members is important to Absolute Total Care. One way we make sure our members are safe is through point-of-sale (POS) edits. This happens at the time a prescription is processed at the pharmacy. These edits are based on U.S. Food and Drug Administration (FDA) recommendations. They promote safe and effective medicine use.

Prior Authorizations (PAs)

Some medicines listed on the Absolute Total Care PDL may need PA. The information for PAs should be sent to Pharmacy Services. The information should be sent by your provider or pharmacist. They can fill this information out on the **Medication Prior Authorization Form**. This form should be **faxed to Pharmacy Services at 1-833-982-4001**. This document can be found on the Absolute Total Care website, absolutetotalcare.com. All completed authorizations are reviewed within 24 hours from the time of receipt.

Absolute Total Care will cover the medicine if it is determined that:

1. There is a medical reason the member needs the specific medicine.
2. Depending on the medicine, other medicines on the PDL have not worked.

PA requests are reviewed by a licensed clinical pharmacist. The pharmacist uses criteria established by the Centene Corporate P&T Committee. If the request is approved, the provider will be notified by fax. If the information provided does not meet the criteria for the requested medicine, member and their provider will be notified. Alternative options and appeal process information will also be provided.

Step Therapy

Sometimes Absolute Total Care requires you to do step therapy. This means you will have to try medicines in the PDL in a certain order before we cover another medicine.

If Absolute Total Care has record that the first medicine was tried and did not work, the next medicine is automatically covered. If Absolute Total Care does not have a record that the required medicine was tried, the provider may have to send more information about the request.

If Absolute Total Care does not approve the PA, we will notify the member and their provider. We will also send information about the appeal process.

Quantity Limits

Sometimes, Absolute Total Care limits how much of a certain medicine a member can get at once. If your provider thinks that you have a reason to get more than the limit, they can submit a PA. If

Absolute Total Care does not approve the PA, we will notify the member and their provider. They will also send information about the appeal process.

Age Limits

Sometimes, medicines on the Absolute Total Care PDL have age limits. This is because of drug maker, FDA or clinical guidelines. It is to keep you healthy and safe. Age limits meet FDA alerts for the appropriate use of pharmaceuticals. They also align with South Carolina Healthy Connections Medicaid Guidelines.

Medical Necessity Requests

Sometimes, a member needs a medicine that is not listed in the PDL. When this happens, the member's provider can make a medical necessity (MN) request for the medicine. A MN request does not happen often. This is because the list of medicines on the PDL treat most medical conditions.

For a MN request, Absolute Total Care requires:

- Documented failure of at least two PDL drugs within the same therapeutic class for the same diagnosis. This is required as long as two drugs are listed in the same category with comparable labeled indications; or
- Documented intolerance or contraindication to at least two PDL drugs within the same therapeutic class. This is required as long as two drugs are listed in the same category with comparable labeled indications; or
- Documented clinical history or presentation where the patient is not a candidate for any of the PDL drugs for the indication.

These requests are reviewed by a licensed clinical pharmacist. The pharmacist uses criteria established by the Centene Corporate P&T Committee. If the request is approved, the provider will be notified by fax. If the information provided does not meet the criteria for the requested medicine, member and provider will be notified. Alternative options and appeal process information will also be provided.

Emergency Supply Policy

State and federal law require that a pharmacy fill a 72-hour supply of PDL medicine to any member awaiting PA determination. This is so the member's therapy is not interrupted or delayed. All participating pharmacies are authorized to provide a 72-hour supply of medicine. They are reimbursed for the ingredient cost and dispensing fee of the 72-hour supply of medication. They are reimbursed whether or not the PA request ends up being approved or denied. If the pharmacy has any questions, they may call the Pharmacy Help Desk at **1-833-750-4506**.

Exclusions

The following drug categories are not part of the Absolute Total Care PDL. They are not covered by the 72-hour emergency supply policy:

- Weight control products

- Pharmaceuticals used for cosmetic purposes or hair growth
- Investigational pharmaceuticals or products
- Immunizing agents
- Drug Efficacy Study Implementation (DESI) and Identical, Related, and Similar (IRS) drugs that are classified as ineffective
- Fertility products
- Erectile dysfunction products prescribed to treat impotence
- Nutritional supplements
- Injectables (except those listed in the PDL)
- Infusion supplies.

Newly-Approved Products

Absolute Total Care reviews new drugs before adding them to the PDL. While the new drugs are being reviewed, access to them will be considered through the PA review process. If Absolute Total Care does not approve PA, we will notify the member and their practitioner. We will also provide information about the appeal process.

Over-The-Counter (OTC) Medications

Absolute Total Care covers many OTC medicines. These medicines can be found in the Absolute Total Care PDL. These products are covered as long as you have a prescription from a licensed practitioner that meets all the legal requirements for a prescription.

Generic Drugs

Generic drugs are made up of the same active ingredient as brand-name drugs. When generic drugs are available, the brand-name drug will not be covered without Absolute Total Care PA.

If you or your provider think a brand-name drug is medically necessary, the provider must request the drug using the PA process. Absolute Total Care will cover the brand-name drug according to our clinical guidelines if there is a medical reason the member needs the particular brand-name drug. If Absolute Total Care does not approve the PA, we will notify the member and their provider. We will also send information about the appeal process.

Drug Efficacy Study Implementation (DESI) Drugs

DESI products and known related drug products are defined as less than effective by the FDA. This is because there is not much evidence that it is effective for all labeling indications. It is also because justification for their medical need has not been established. DESI products are not covered by Absolute Total Care.

Filling a Prescription

Members can have prescriptions filled at an Absolute Total Care network pharmacy. You can find a network pharmacy near them by contacting **Absolute Total Care Member Services at 1-866-433--6041 (TTY: 711)**. You can also visit Absolute Total Care's website at absolutetotalcare.com and click Find a Provider to locate a pharmacy. You can type in your address or zip code and see pharmacies that are close by. At the pharmacy, you will need to provide your prescription and your Absolute Total Care member ID card.

If members are traveling more than 30 miles from the South Carolina border, they can have a onetime fill of their medicine. All necessary prescriptions are required to be filled on the same day for a maximum of 31 days' supply.

Copayments

Absolute Total Care only charges \$3.40 for each prescription. Providers are responsible for collecting the copayment. Providers must provide service whether a member can pay or not. If a member is not able to pay at the time of service, the member is still responsible for the copayment. The following are categories of Medicaid members that are exempt from copayment:

- From birth to the date of their 19th birthday
- Living in long-term care facilities
- Receiving hospice care
- Family planning prescriptions
- During pregnancy
- Enrolled in South Carolina Department of Disabilities and Special Needs' Mental Retardation or Related Disabilities or Head and Spinal Cord Injuries waiver program
- Enrolled in DHHS VENT, HIV/AIDS, SC Choice or elderly and disabled waiver program

Absolute Total Care will waive copays for all members on designated PDL agents in the following categories:

- Asthma
- Chronic Obstructive Pulmonary Disorder (COPD)
- Diabetes

Any member who gets a prescription for a designated asthma, COPD or diabetes medication will have a \$0.00 copay for those medications.

Absolute Total Care will waive copays for all members who obtain a prescription for any tobacco cessation products on the PDL.

Drug Tiers

The following notations define the preferred drug list status in the Drug Tier column.

P:	Preferred drug product
NP:	Non-preferred drug product

Abbreviations

The following notations and abbreviations may be found in the drug listing requirements/limits column.

AL:	Age Limit	Drug is limited to a specific age.
QL:	Quantity Limit	There is a limit on the amount of drug covered per prescription, or within a specific timeframe.
Max Day(s) Supply:	Day(s) Supply	There is a limit on the amount of the drug that is covered per time.
Max Fill:	Fill Limit	There is a limit on the number of times the drug can be filled.
Opioid Smart PA:	Unique Limits for Opioid Drugs	There may be limits on use such as a maximum seven-day supply for short-acting opioids or prior authorization required. Exceptions exist for specific diagnoses and/or history of use.
PA, Smart PA:	Prior Authorization	Prior authorization is required before prescription can be filled.
Pack Lmt:	Package Limit	There is a limit on the number of packages covered per prescription.
Rtl:	Retail	The limit or restriction applies to coverage at a retail pharmacy.
RX/OTC:	Prescription/Over-the-Counter	The drug is available as both prescription and over-the-counter forms.
SP:	Specialty Drug	High-cost drugs used to treat complex or rare conditions, such as multiple sclerosis, rheumatoid arthritis, hepatitis C, and hemophilia.
ST:	Step Therapy	Requires trial and failure of one or more preferred products prior to coverage.

Clinical Edit Descriptions

Edit Name	Edit Description
Opioid	<p>Short-acting opioid medicines can only be filled for 7-days at a time when no opioids are filled in the past 180 days (Treatment-Naïve). This limit is extended to 30-day fills when a member has a medical history of cancer, sickle cell, or palliative care in their records. Treatment-Naïve*</p> <p>Limits:</p> <ul style="list-style-type: none"> • Daily Dose Max = 90 MME** • Day Supply Max = 7 days • Must use Short-acting opioids before Long-acting opioids <p>*Treatment-Naïve means no opioid fill in last 180 days **MME = Morphine Milligram Equivalent</p>
Test Strips	<p>Insulin users are limited to 150 strips per 30 days; Non-insulin users are limited to 100 strips per 90 days.</p>
