

Important Reminder

Absolute Total Care Members Eligible for Medically Necessary Eye Care Services

Thank you for your continued participation with Absolute Total Care. We would like to remind you that Absolute Total Care has contracted with Envolve Vision to administer the medically necessary eye care services performed by an optometrist, for members of **all ages**, as indicated in the member's evidence of coverage. These services must be in compliance with applicable co-management policies, benefit limitations, and/or medical diagnosis in order to receive reimbursement.

The plan specifics, which outline the benefit information, are conveniently located through Envolve Vision's Eye Health Manager at www.envolvevision.com/logon. If you have any questions about this information please contact Envolve Vision's Customer Service team at 1-866-224-3423.

We look forward to our continued relationship with you while providing quality services for our members in your area.
