

MMP Provider Education and Training

Wellcare Prime by Absolute Total Care (Medicare-Medicaid Plan) partners with all of our contracted providers to ensure that you have received the necessary education and training to deliver quality care to our members and your patients and to be compliant with Centers for Medicare & Medicaid Services (CMS) and South Carolina Department of Health and Human Services (SCDHHS) requirements.

Education and training includes but is not limited to:

- Person-Centered Planning
- Cultural Competency
- American with Disabilities Act - Disability Awareness
- Self-Determination

You can find quick reference guides and other resources for each of the referenced training on Wellcare Prime's website at absolutetotalcare.com. Please see the table below for additional details.
