Further, from time to time, such licensed practitioners may change, as my practice associates. In all such cases, I accept responsibility for notifying Centene in a timely manner about these new arrangements and will be responsible for fully cooperating in the submission of completed application forms and providing any other information as may be required to satisfy Centene credentialing/re-credentialing requirements for all such individuals associated with my practice.

By applying for participation with Centene, I hereby fully understand that the information submitted in this application shall be held confidential by Centene and provided only to individuals connected with the Plan on a need to know basis. Notwithstanding the foregoing, I agree to the following:
