

**ATTENTION:**  
**Prior Authorization Update Effective 5/1/2019**  
**Part B Drugs**

Absolute Total Care (Medicare-Medicaid Plan) requires prior authorization as a condition of payment for many services. This Notice contains information regarding such prior authorization requirements and is applicable to all Medicare products offered by Absolute Total Care.

Absolute Total Care is committed to delivering cost effective quality care to our members. This effort requires us to ensure that our members receive only treatment that is medically necessary according to current standards of practice. Prior authorization is a process initiated by the ordering physician in which we verify the medical necessity of a treatment in advance using independent, objective medical criteria.

**It is the ordering provider's responsibility to determine which specific codes require prior authorization.**

**Effective May 1, 2019, prior authorization requirements will be added to the Part B Drugs listed below.**

Please refer to the information below for guidance regarding how to obtain prior authorizations from Absolute Total Care.

**FREQUENTLY ASKED QUESTIONS**

**How do I determine if a specific treatment requires prior authorization?**

- You may determine which specific codes require prior authorization by visiting our website at [mmp.absolutetotalcare.com](http://mmp.absolutetotalcare.com) and clicking on the Pre-Auth Check tab. The Pre-Auth Check tab will take you to our PreScreen Tool. Just enter the CPT code and the PreScreen Tool will advise you whether the service requires prior authorization.

**How do I request a prior authorization for these services?**

- You may submit the prior authorization request utilizing our Secure Web Portal at [mmp.absolutetotalcare.com](http://mmp.absolutetotalcare.com). If your request is approved, you will receive verification through the Secure Web Portal. If you are not currently registered on our Secure Web Portal, you may register through a quick and simple process.
- You may submit the prior authorization request by faxing an authorization to 1-844-503-8866. The fax authorization form can be found on our website at [mmp.absolutetotalcare.com](http://mmp.absolutetotalcare.com).
- You may call our Medical Management Department at 1-855-735-4398.

**What information will I be required to submit in connection with the prior authorization request?**

- Pertinent clinical information related to the request
- CPT code
- Diagnosis code
- Rendering facility's name, Tax ID number, and NPI number

If you have any questions regarding this information, you may contact Provider Services at 1-855-735-4398 or contact your dedicated Provider Relations Specialist.

**Please verify eligibility and benefits prior to rendering services. Prior authorization will be required for these Part B Drugs effective May 1, 2019.**
